MONZA

The Monza Collection offers a calm design language that gently slows the pace of modern living. Soft forms, balanced proportions, and natural textures come together to create a peaceful atmosphere throughout the space. From the seating group to the bedroom, dining area, and complementary units, each piece is designed with a holistic approach that prioritizes comfort.

MONZA

BEDROOM

QUIET ELEGANCE, DEEP COMFORT

Monza Bedroom creates a calm atmosphere through soft textures and balanced forms. Warm natural tones meet clean lines, inviting rest in every detail. Designed for those who value peaceful mornings and comfortable nights.

WHERE CALM MEETS COMFORT

Monza Bedroom helps you leave the day's fatigue behind with its soft textures and balanced forms. Gentle color transitions and flowing lines create a naturally calming atmosphere.

- MONZA -

Clean surfaces enhanced by warm wood details offer a modern sense of harmony. Functional elements complete the design, bringing comfort and aesthetics together.

Monza Bedroom creates a calm impression at first glance with its soft and flowing form language. The wide, cushioned headboard offers both visual and physical comfort while defining the sleeping area with a strong presence. The natural feel of the fabric combined with light tones brings a sense of balance and spaciousness to the room. Wooden surfaces on the bedside table add warmth, creating a gentle contrast with the soft forms. Every detail is designed to feel subtle yet intentional.

The dresser and storage elements highlight Monza's functional design approach. Smooth drawer lines ensure ease of use while preserving a clean and refined aesthetic. Natural wood textures are balanced with light-colored surfaces, resulting in a modern and harmonious look. Rounded mirror forms and soft transitions avoid sharp edges, establishing a calm visual rhythm. Monza is not just a bedroom set, but a thoughtfully designed space that slows down daily life and brings order and serenity.

DINING
ROOM

Monza Dining Room presents a balanced design approach that blends the natural feel of materials with modern forms. The oval-shaped table creates a smooth and fluid flow within the space, while solid wood surfaces add warmth and an inviting character. Chairs designed for comfort provide a relaxed seating experience, even during long gatherings.

- MONZA -

The sideboard, shaped with clean lines, supports the aesthetic with functional storage solutions. Light tones and natural textures come together to bring a calm, organized, and serene atmosphere to the dining area. Monza Dining Room completes both everyday meals and special occasions with the same understated elegance.

Monza Dining Room offers a calm and balanced design where natural wood textures meet soft forms. The oval table shape creates a fluid sense of movement in the space while adding a warm and inviting character to the dining area. The solid-looking base structure provides a strong presence while maintaining visual harmony.

CLEAN ORDER, STRONG PRESENCE

Monza TV Unit creates a calm sense of balance in living spaces through its natural wood surfaces and softly contoured design language. The light-toned structure enhances a feeling of spaciousness, while clean lines deliver a modern aesthetic. Every detail is designed to offer a refined yet distinctive presence.

Its functional storage spaces are thoughtfully designed to meet everyday needs with ease. The balanced combination of open and closed compartments ensures an organized look while maintaining visual harmony. Monza TV Unit brings functionality and design together in a seamless and refined way.

FSM PLUS

FSM Plus Collection offers a strong and cohesive design language for modern living spaces. Soft-textured upholstery, balanced forms, and clean lines come together to create a calm yet distinctive atmosphere. Each piece is designed with a refined sense of elegance, carefully maintaining the balance between comfort and aesthetics.

FSM PLUS

BEDROOM

QUIET ELEGANCE, BALANCED COMFORT

FSM Plus Bedroom brings a calm character to the sleeping area through its soft-textured surfaces and balanced design language. The generously padded headboard enhances both visual harmony and comfort. Every detail is carefully considered to create a peaceful atmosphere that helps you unwind from the day.

- FSM PLUS -

The natural color palette creates a timeless sense of harmony within the bedroom. Warm wooden accents combined with modern lines add refined depth to the space. FSM Plus Bedroom offers a holistic living environment where calmness and comfort meet contemporary design.

FSM Plus Bedroom interprets modern bedroom design through a calm and well-balanced aesthetic. The softly textured headboard and flowing form transitions create an atmosphere that immediately conveys comfort and relaxation. Its generously padded structure enhances visual harmony while offering ergonomic support for restful moments.

Complementary pieces such as the wardrobe, dresser, and nightstand are designed with clean surfaces and carefully balanced proportions. Functional interior layouts provide practical storage solutions for everyday use while maintaining a spacious and uncluttered look. The harmony between open and closed storage areas ensures both organization and visual continuity within the bedroom.

The natural color palette, enriched with warm wood accents, adds a refined sense of depth to the space. With its focus on comfort and contemporary lines, FSM Plus Bedroom offers a cohesive living environment that brings quiet elegance and lasting comfort to modern interiors.

FSM PLUS

CONCEPT

FSM Plus presents a refined balance between modern comfort and architectural clarity. The generously proportioned seating elements, combined with soft upholstery textures, create a welcoming environment that feels both relaxed and visually composed. Every form is designed to support daily comfort while maintaining a clean, contemporary silhouette.

- FSM PLUS -

The TV unit stands out with its strong horizontal line and carefully integrated storage compartments. Closed and open sections work together to provide practical organization while preserving a calm and uncluttered appearance. Subtle material transitions and dark-toned details add depth, reinforcing the unit's sophisticated presence within the space.

Natural light, neutral tones, and structured furniture elements come together to define a cohesive living experience. FSM Plus transforms the living room into a balanced setting where comfort, functionality, and modern design coexist effortlessly, offering a timeless solution for contemporary interiors.

REFINED LIVING, SHAPED BY BALANCE.

FSM Plus is a collection created for spaces that value clarity, comfort, and contemporary elegance. Its design language blends soft textures with clean architectural lines, offering a calm yet confident presence in every interior. Each element is carefully proportioned to create visual harmony without overwhelming the space.

The dining table becomes the natural center of the room, combining a strong structure with a light visual presence. Its smooth surface and slim profile offer comfort for everyday use while maintaining a sophisticated look for special gatherings. Upholstered chairs complement the table with gentle textures and ergonomic support, ensuring long-lasting comfort during extended meals.

CLEAR LINES. CALM LIVING.

The İZ TV Unit is designed to bring visual balance and order to modern living spaces. Its horizontal form and refined proportions create a calm focal point, allowing the television and decorative elements to coexist without visual clutter.

Open and closed storage areas are thoughtfully arranged to combine functionality with aesthetics. Shelves provide space for curated objects, while concealed compartments help maintain a clean and organized look, supporting a minimalist interior approach.

Soft surface finishes paired with warm wood accents add depth and character to the design. With its understated elegance and practical structure, the İZ TV Unit adapts effortlessly to contemporary lifestyles, offering both comfort and visual harmony.

BUGATTI

Bugatti Collection brings together the strong character of solid wood with clean modern lines, creating a confident and refined atmosphere in living spaces. Balanced proportions, clear forms, and warm surfaces establish a timeless yet contemporary aesthetic that feels calm, composed, and visually powerful.

BUGATTI

LIVING ROOM

Bugatti reflects a strong design language shaped by the natural beauty of wood and balanced proportions. Clean surfaces, refined details, and solid forms create a living space that feels both modern and grounded. Each element is designed to stand out without excess, offering visual clarity and calm.

- BUGATTI -

The collection brings functionality and aesthetics together through generous storage solutions and well-defined forms. Natural textures and warm tones soften the bold structure, allowing Bugatti to adapt effortlessly to contemporary interiors. It is a statement of confidence, comfort, and enduring design.

Thoughtfully crafted details enhance everyday use while maintaining a refined visual identity. From the smooth transitions between materials to the carefully considered proportions, Bugatti is designed to elevate daily living with effortless elegance and lasting comfort.

WHERE NATURAL MATERIALS MEET REFINED LIVING

Bugatti Collection brings together warm wood textures and soft forms to create a balanced, contemporary interior. Every piece is designed to feel calm, welcoming, and visually strong without overpowering the space.

Clean lines and carefully chosen proportions allow the collection to adapt effortlessly to modern living areas. The harmony between dining, seating, and storage elements creates a seamless flow throughout the home.

Subtle details and functional craftsmanship elevate everyday use. Bugatti focuses on lasting comfort and timeless appeal, offering a living experience that feels both natural and sophisticated.

- BUGATTI -

RIVA

LIVING
ROOM

Riva offers a balanced design approach that brings together clean aesthetics and warm details. The freshness of light tones blends with the natural character of wood accents, creating a calm and inviting atmosphere. Each piece finds its place without disrupting the flow of the space, delivering an organized and serene living experience.

- RIVA -

Supported by functional solutions, Riva addresses everyday living needs within an elegant framework. Complementary pieces such as the TV unit, table, and console provide visual harmony while offering practical usability. Slim proportions, soft transitions, and balanced volumes keep the space open, allowing details to express themselves subtly.

While adapting to the rhythm of modern life, Riva preserves the soul of the home. Neither overly bold nor ordinary, it presents a strong presence defined by refined lines. This harmony between natural warmth and modern clarity turns Riva into more than a collection—it becomes a lasting lifestyle choice.

CITY

City Collection combines the dynamism of modern city life with a minimalist design language. Natural wood textures, soft color transitions, and balanced proportions give the space a calm yet powerful character at first glance. Each piece is designed to create a breath of fresh air within the fast pace of city life. City is shaped for those who seek their own order and peace even in the midst of crowds.

CITY

CONCEPT

City Collection offers a powerful and balanced approach to living, inspired by the energy of modern city life. The warmth of natural wood textures meets the freshness of light-colored surfaces, creating an atmosphere that is both contemporary and timeless. City maintains the same effect in spacious living areas as well as more compact spaces, lending its surroundings an orderly, calm, and inviting identity. Every detail has been approached with a minimalist aesthetic that balances the intensity of city life.

- CITY -

The collection's design language prioritizes functionality without compromising on aesthetics. Flowing lines, balanced proportions, and modular pieces create a seamless transition in living spaces. Storage solutions needed for daily use are concealed within simple forms, preserving the visual integrity of the space. The City Collection is not just a visually appealing design; it also offers a smart user experience that adapts to the pace of city life.

In the City Collection, each piece creates a structure that breathes with the space. Surfaces that change with light accentuate the texture of natural materials while adding a warm depth to the living space. This collection is designed for those seeking order amid the chaos of modern life. City is a holistic living solution that reflects the spirit of urban life, where aesthetics, comfort, and function come together in perfect balance.

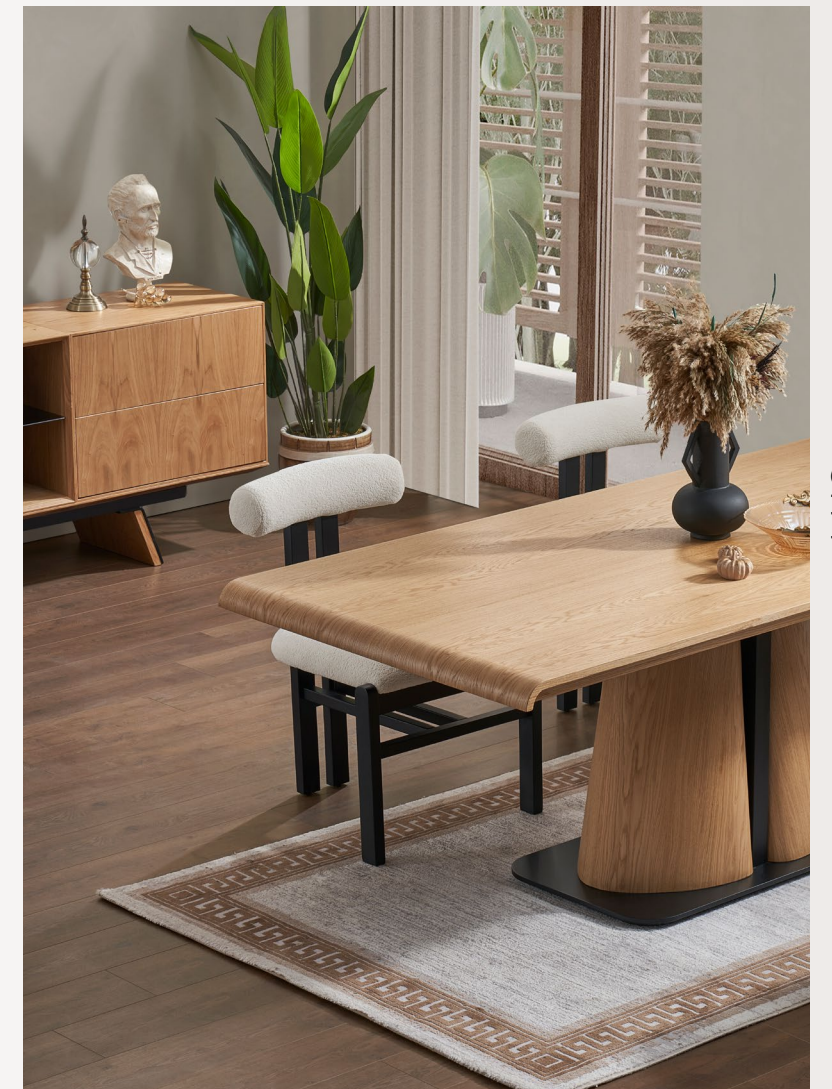

THE CLEAR FORM OF MODERN LIFE

City Collection combines the rhythm of modern life with the tranquility of natural materials. The warm texture of wood, combined with clean lines and balanced proportions, creates a powerful yet simple atmosphere in living spaces.

The collection's design philosophy presents functionality with visible simplicity. The strong table form used in dining areas presents a solid stance at the center of the space, while storage units offer organized and accessible solutions. The balance between open and closed volumes provides comfort in daily use while maintaining visual integrity.

- CITY -

CITY

City Living Room combines the needs of modern city living with clean lines and balanced forms. Its design, supported by natural textures, creates an airy and orderly atmosphere in the space. With its structure adapted to daily use, it offers a tranquil living space within the city's fast pace.

PREMIUM

The Asel Collection presents a holistic design approach that brings calm elegance to living spaces. Soft-lined seating, well-proportioned storage units, and warm wooden details come together to create a harmonious atmosphere. Light color tones enhance spaciousness, while modern lines and natural textures complete interiors with a refined aesthetic. Asel is designed for those who seek both comfort and visual balance in everyday living.
